Dear Michele & Bruce

I can't thank you enough for the wonderful service given my guests. The premium package (Top shelf) was better than advertised. The staff was professional, courteous and truly catered to our friends. The fresh juices and signature drinks were amazing.

We will be using your services for all future functions.

Bars on Wheels has serviced our parties, including our wedding, since 1998.

"Bruce the Bartender", as he is affectionately referred to by our friends, is a big part of what makes all of our social gatherings a huge success. Not only does Bruce and his employees provide our parties with professionalism, but they also provide much of the fun as well. We actually note on our invitations that "Bruce the Bartender" will be hosting the event because it is further incentive for people to attend. If you intend to host a fantastic function using anyone other than Bars On Wheels it is just poor party planning!!

Sincerely,

Mike and Alison Kaufman – Cincinnati, OH

We, at A Taste of Class Catering, have had an excellent working relationship with Bars on Wheels for the past 17 years. During that time, we have always found the staff to be very professional, easy to work with, customer-oriented and courteous. We would recommend them highly to anyone in need of a first-class bar service.

Dear Bruce,

The 30th Anniversary Party at Christie's house last night was a great success! The event was a hit due in great part to your exceptional bartending skills and the outstanding waiter service you provided. Your willingness to "go the extra mile" was greatly appreciated. Thank you very much and may all your catering events be as successful.

I just wanted to say thank you for the excellent job you did at our event. I was extremely pleased with the setup and the service was first rate. I have heard nothing but great things from the physicians and administration of the hospital. Matt Allen mentioned your service to me after using your services at a fundraising event here in Georgetown. I never expected the level of service and professionalism that we received from your organization. We will definitely be using your services in the future and I will make sure to promote your services when other facilities ask me about mobile bartending. Once again, I really appreciate all that you did for us and look forward to working with you in the future.

Your company is to be commended for its professionalism and excellent service. Bruce, our bartender, could not have been better in any way at our party. Thanks for helping to make our party a night to remember.

Thank you so much for all you did for our 'Howling at the Hanger' event. The turn-out was a bit of a disappointment, but on the positive side all who came had a great time. You and your staff were awesome and looked great!

Dear Bruce:

You were wonderful!!! (My daughter is now totally hooked on Grand Marnier, however). I need more of your brochures if possible – passing them out all over town. Thank you so very much for making these events truly special!
